Detail of the submission

1. Objective:

- 1.1 To provide intensive specialist support to children aged 11-18 years who are victims of child sexual abuse across Norfolk.

2. Background:

- 2.1 The Norfolk PCC has commissioned Brave Futures to provide specialist services that support children aged 11-18 years and their family who have experienced sexual abuse up to 31st March 2024. This arrangement is by way of a Grant Agreement.
- 2.2 During the financial year 2024/25 a procurement process for sexual violence services for Norfolk will take place. So as to align services in the county and to allow for this procurement process to take place, which will be managed by 7Force Procurement Services, there is need extend provision to 30th September 2025.
- 2.3 The Grant Agreement that supports this Decision Notice, will outline the service provided by Brave Futures and will provide two fulltime practitioners to work with 90 children and young people across the duration of the extension.
- 2.4 Each child will receive an assessment, and 20 face to face sessions taking them through a programme which will include reviews including a trauma symptom checklist at the beginning and end of the service.
- 2.5 The service will give children and young people the skills and tools they need to rebuild their futures, manage trauma they have experienced and help them move from victim to survivor.

3. Areas for consideration:

- 3.1 The funding of this service aligns with specialist sexual violence services currently commissioned by the OPCQN, those being the Sue Lambert Trust, the Rowan Project delivered by the Daisy Programme and the Lotus Programme delivered by One-to-One Counselling Service.
- 3.2 This extension will allow for a needs analysis to take place and an independent review by Lime Culture to review a victim's pathway across the Criminal Justice Service.

4. Other options considered:

- 4.1 Not to fund this service – this option was rejected as it would leave children and young people aged 11-18 years with extremely limited provision for specialist

intensive work and therapeutic programmes to help those affected by child sexual abuse, cope and recover from the crimes that have been committed against them.

5. Strategic aims/objective supported:

5.1 The PCC has a statutory obligation to set Police and Crime objectives through the Police, Crime and Community Safety Plan 2022-24. The PCC's six priorities fall into the following categories each with detailed objective in the plan:

- Sustain Norfolk Constabulary

- Tackling Crime
- Prevent Offending
- Support Victims
- Safe and Stronger Communities

5.2 This Decision Notice supports the PCC's 'Support for Victims' priority as outlined in the Police, Crime and Community Safety Plan 2022-24

5.3 Quality standards that will be supported as set out in the following documents:

- NICE Guidance on Child Abuse and Neglect (<https://www.nice.org.uk/guidance/ng76>), which makes recommendations for a range of therapeutic interventions for children, young people and families after sexual abuse
- The Norfolk Sexual Violence Strategy produced by the County's Community Safety Partnership (CCSP) that support the work of the Domestic Abuse and Sexual Violence Group (DASVG)

5.4 The primary statutory legislation that drives the support of commissioning services that support victims of domestic abuse and sexual violence across the Local Authority and Police Forces are:

- Crime and Disorder Act 1998
- Domestic Violence, Crime and Victims Act 2004
- Children Act 1989 and 2004
