Detail of the submission

1. Objective:

1.1 The services will support the need to:

- Ensure there are consistent therapeutic services available in the districts of North Norfolk, West Norfolk and Breckland areas for victims of SVA
- Make services accessible locally to victims throughout Norfolk
- Build resilience within the market
- Provide additional capacity and capability to meet ongoing demand for services to support SVA victims.

1.2 The service will support

- Strategic objectives as set out within the Police and Crime Plan 2025-29
- Responsibilities as devolved under the Ministry of Justice Victims Fund
- The Government's Tackling Violence against Women and Girls Strategy.

2. Background:

2.1 The Lotus Programme (delivered by One to One Counselling) and the Rowan Project (delivered by the Daisy Programme) have been specifically developed in response to need within the districts of North Norfolk, West Norfolk and Breckland.

2.2 Note that other service providers are commissioned to provide services in Norfolk as follows:

- South Norfolk, Broadland and Norwich areas - Sue Lambert Trust
- Norfolk wide specialist support for children and young people aged 11 and over affected by SVA – Brave Futures.

2.3 To date grant monitoring reporting has demonstrated:

- Number of referrals received confirms the need for a service in West and North Norfolk and Breckland areas
- The Lotus Programme service users' wellbeing is measured using CORE 34 – this shows a significant improvement in clients' wellbeing.
- The Rowan Project service users' wellbeing is measured using CORE 10 – this shows improvement in clients' wellbeing

3. Areas for consideration:

3.1 There is a reduction in funding compared to 2024-25 which means that:

- There will be a reduction in capacity in the West and North Norfolk and Breckland areas
- There will no longer be SVA group provision in West and North Norfolk or Breckland areas
- There will no longer be capacity for specialist groundwork provision in the Breckland area.

4. Other options considered:

- 4.1 Not to fund the services – this would mean that there would be no specialist therapeutic support services for victims of sexual abuse and violence in West and North Norfolk, and Breckland areas.
- 4.2 Continuing to fund current service provision – this would incur additional costs – this option was rejected by the PCC

5. Strategic aims/objective supported:

- 5.1 The PCC has a statutory obligation to set Police and Crime objectives through the Police, Crime and Community Safety Plan 2025-29. The PCC's three priorities fall into the following categories each with detailed objectives in the plan:

- Preventing Crime
- Cohesive Communities

- The British Association for Counselling and Psychotherapy (BACP) Ethical Framework (<https://www.bacp.co.uk/about-us/about-bacp/>). Counsellors recruited for the SV pilot will be accredited with the BACP or UKCP with the relevant competency levels in place to support this group of clients (this

includes highly complex cases and those who have experienced historic childhood sexual abuse).

5.3 This Grant Extension will also support the following county objectives and strategies:

- Norfolk's Sexual Violence and Abuse Strategy 22-25
- Joint work with Norfolk's Community Safety Partnership (sits within the OPCCN)
- Objectives through the Norfolk Domestic Abuse and Sexual Violence Group (DASVG)
