Shoplifting	696	663
Theft from Person	85	57
Violence Against Person	2253	2733
Miscellaneous	195	210
Total	7694	8603

- Two year data tables show crime increasing, with violence the largest contributor.
- Violence has been increasing steadily over the last three years. This is a national trend.
- Factors influencing this can include continuing improvement in crime recording practices and greater propensity amongst the public to report crimes.

- 26% increase in domestic offences which is likely to reflect a greater willingness to report.
- Hate crime has increased by 18 offences on the year with only 17 classified as assault with injury (ABH).
- 74 police officers were assaulted this year, an increase of 30%.
