- Over the two year period there were 52 recorded instances of a person arrested and taken into custody where ‘*weapon*’ was tagged as a keyword on the offence record. However, actual figures for weapon offences remain low (13).
- There have been 446 incidents recorded as a ‘*missing person*’ between 01/11/2017 and 31/10/2018. However, 62 individual people were reported missing on repeat occasions accounting for 214 incidents.
