SUMMARY:

The area of Child Sexual Exploitation provides a significant threat to children and young people across the world, Norfolk is no exception. The growing number of cases referred into the Norfolk Multi Agency Safeguarding Hub (MASH) provides clear evidence of this.

Much work is taking place nationally however it is essential that local areas do all they can to respond to this increasing threat. This initiative will provide protection for vulnerable young people in care, either in foster placement or residential accommodation, who are at risk of sexual exploitation. The need for a clear understanding of this complex crime area, impacting on the most vulnerable cannot be overstated. This is particularly the case given the role of the internet in this high risk area.

SCHEDULE 1 – THE PURPOSE

Purpose of the funding

A crime and disorder reduction grant is a grant which, in the opinion of the Commissioner, will secure, or contribute to securing, crime and disorder reduction in Norfolk.

The Grant can be used for:

- activities that aim to cut crime, prevent crime, reduce re-offending and other community safety activities;
- commissioning services, awarding grants to or match funding activities that aim to cut crime, prevent crime or reduce re-offending;
- activities that will help to create a sustainable community safety environment in Norfolk;

In addition, the responsibility for commissioning services for victims of crime is being transferred from the Ministry of Justice to PCCs along with the funding. PCCs may use the MOJ funding to:-

- build the capacity and capability of potential providers of services for victims (including potential providers of restorative justice services) from the voluntary, community and social enterprise (VCSE) sector;
- commission restorative justice services if capacity and capability are sufficient;
- prepare for local commissioning.

Specifically, this Grant is issued for the purpose(s) described in Schedule 2.

SCHEDULE 2 – PROJECT DETAILS (DELIVERABLES/REPORTING)

a) Purpose

The purpose of this grant is to provide a specialist support worker for children and young people who are in care and are at risk of Child Sexual exploitation. This post will support the Norfolk multi agency approach to the protection of children and young persons.

The requested funding would be used for the role of the Child Sexual Exploitation intervention specialist. This person will focus on looked after children, working with carers and other professionals to support those who are considered as being particularly vulnerable to Sexual Exploitation. All evidence and reports suggest that voluntary sector involvement in the statutory provision of CSE support helps to engage the target group.

b) Intended outcomes

Expected outcomes, including supporting and enhancing existing services will be:

1. Improve life planning/interventions for those at high risk of CSE
2. Holistic seamless access to differing support services
3. Reduction in the number of looked after children running away
4. Raise awareness and explain the risks associated with Sexual Exploitation to Looked after Children
5. Reduce the numbers of vulnerable young victims to prevent serious harm and improve life chances

c) The manner in which the activities are to be performed

The Magdalene Project currently has a range of specialist interventions and innovative approaches. Key to ensuring that they are effective is by first aiming to establish and build a firm relationship with the young person through the Befriending service: a 1:1 scheme to support young people who are at high risk of, or who have been sexually exploited. They also provide a dedicated 'runaways' worker undertaking return home interviews and then providing on-going support to young runaways who have experienced sexual exploitation.

This new service will focus a dedicated worker who will address the needs of children and young people in care, either in foster placement or residential accommodation who are at risk of or are being sexually exploited.

The service will be delivered via targeted support work including:

- Outreach/drop in programmes to care homes to build relationships with young people
- Delivery of Magdalene developed and designed 6 week creative courses to young people in care.
- Work with the Norfolk Police Contact and Control Room to develop effective practice around reports of missing looked after children
- Befriending delivered to those young people assessed as medium and high risk of child sexual exploitation without a time limit
- Return home interviews
- Worker to be part of the MASH team linking with the missing and CSE team

In addition the post will:

- Deliver evidence based findings to determine the need for delivery of an on-going service
- Establish a data set that identifies the causal factors that led the child into sexual exploitation
- Establish working relationships with care homes across the county

d) Reporting

A quarterly report should be provided by the project lead, The Magdalene Group detailing:

- how the project is progressing
- any particular difficulties or successes
- any risks over and above those normally associated with this kind of project
- progress against the required outcomes
- any other relevant information

e) Evaluation

Within one month of the end of the project (i.e. by 31/01/16) a full evaluation of the project should be provided detailing:

- how the project went
- any particular difficulties or successes
- final progress against the required outcomes
- any other relevant information

Note: Funding in subsequent years will be subject to the submission of a satisfactory evaluation report and competitive grant application
