REASON FOR SUBMISSION: For Decision

SUBMITTED TO: Police and Crime Commissioner for Norfolk

SUBJECT: Continued provision of a specialist worker to support young people in care who are at risk of sexual exploitation.

SUMMARY: The area of Child Sexual Exploitation provides a significant threat to children and young people across the world, Norfolk is no exception. The growing number of cases referred into the Norfolk Multi Agency Safeguarding Hub (MASH) provides clear evidence of this.

Much work is taking place nationally however it is essential that local areas do all they can to respond to this increasing threat. This initiative is providing protection for vulnerable young people in care, either in foster placement or residential accommodation, who are at risk of sexual exploitation. The need for a clear understanding of this complex crime area, impacting on the most vulnerable cannot be overstated. This is particularly the case given the role of the internet in this high risk area.

A total of £35,000 is being provided by the Office of the Police and Crime Commissioner to continue to fund this post to 31st December 2017. The OPCCN is currently working with Norfolk Children Services to determine future funding for this service post 31st December 2017. Any decision on further funding will be based around a full evaluation of the service and will be subject of a competitive grant process.

A copy of the grant agreement, providing details of the intended outcomes and activities of the project, has been prepared.

DETAIL OF THE SUBMISSION

1. OBJECTIVES

1.1 The Purpose of this grant is to enable the provision of dedicated role offering specialist support to young people who are in care, either in foster placement or residential accommodation, who are at risk of, or are being, sexually exploited.

1.2 The extension of funding from the PCC will enable the service to continue. The post holder will then be able to focus on delivering Service and gathering essential information to inform future service provision.

1.3 The OPCCN are agreed that this crime area will continue to be funded and has agreed £35,000 to be made available. This funding will address the PCCs priority in reducing the risk of harm to vulnerable victims.

1.5 A copy of the grant agreement, providing details of the intended outcomes and activities of the project has been prepared.

2. BACKGROUND

2.1 The growing threat this crime represents is such that in the interest of protecting a particularly vulnerable group it is essential that we understand the scale of the problem. This work will inform a wider understanding of the issues whilst at the same time providing necessary and timely intervention and support.

3. AREAS FOR CONSIDERATION

3.1 Overall the provision of support for children at risk of sexual exploitation victims, is becoming increasingly necessary, funding for existing providers is either coming to an end, or is insufficient. To address this, a long term multi-agency commissioning response and strategy is required to address growing need and this can be brokered by the PCC for Norfolk supported by the OPCCN. However, whilst this strategy is being devised, it will be necessary to provide short term interim funding.

3.2 The OPCCN is therefore intending to:

- Provide a grant of £35k to The Magdalene Group to provide engagement and support for children at increased risk of sexual exploitation for the period 1st January 2017 to the 31st December 2017

- Conduct, in partnership with the statutory and voluntary sector, a review of child sexual exploitation support services in Norfolk and develop and implement a new strategy from the 1 January 2018.
4. OTHER OPTIONS CONSIDERED

4.1 To postpone funding of child sexual exploitation support services aimed at children and in particular those who are looked after, until a multi-agency county wide strategy is in place to inform future investment – this option has not been taken as it would leave victims unsupported and further increase risk.

5. STRATEGIC AIMS/OBJECTIVE SUPPORTED

5.1 The provision of funding to support victims of child sexual exploitation supports the OPCCNs objective of supporting victims of crime to cope and recover and reducing vulnerability to further victimisation.

6. FINANCIAL AND OTHER RESOURCE IMPLICATIONS

6.1 The amount of grant funding being recommended totals £35k, which is contained within the commissioning budget.

7. OTHER IMPLICATIONS AND RISKS

7.1 Failure to agree a long term multi agency funding solution will result in a reduction in service or continue to leave the Police and Crime Commissioner support this Children and Young person’s intervention.

7.2 The impact of this Post continues to be reviewed since commencement (April 2015). The evidence supports future funding of this post. The OPCCN and Norfolk Children Services are currently considering future funding, this will be by way of a competitive grant process.

SCHEDULE 2 – PROJECT DETAILS
The Magdalene Group

a) Purpose/Key Deliverables

The purpose of this grant is to provide a specialist support worker for children and young people who are in care and are at risk of Child Sexual exploitation. This post will support the Norfolk multi agency approach to the protection of children and young persons.

The requested funding would be used for the role of the Child Sexual Exploitation intervention specialist. This person will focus on looked after children, working with carers and other professionals to support those who are considered as being particularly vulnerable to Sexual Exploitation. All evidence and reports suggest that voluntary sector involvement in the statutory provision of CSE support helps to engage the target group.

The Magdalene Project currently has a range of specialist interventions and innovative approaches. Key to ensuring that they are effective is by first aiming to establish and build a firm relationship with the young person through the Befriending service: a 1:1 scheme to support young people who are at high risk of, or who have been sexually exploited. They also provide a dedicated 'runaways' worker undertaking return home interviews and then providing on-going support to young runaways who have experienced sexual exploitation.

This service will focus a dedicated worker who will address the needs of children and young people in care, either in foster placement or residential accommodation who are at risk of or are being sexually exploited.

b) Outputs

The service will be delivered via targeted support work including:

- Outreach/drop in programmes to care homes to build relationships with young people
- Delivery of Magdalene developed and designed 6 week creative courses to young people in care.
- Befriending delivered to those young people assessed as medium and high risk of child sexual exploitation without a time limit.
- Return home interviews.
- Worker to be part of the MASH team linking with the missing and CSE team

In addition the post will:

- Deliver evidence based findings to determine the need for delivery of an on-going service
- Establish a data set that identifies the causal factors that led the child into sexual exploitation
- Establish working relationships with care homes across the county
c) KPI's

- Number of Child Sexual Exploitation referrals received >40
- Number of Missing Child referrals received >400
