REASON FOR SUBMISSION: For Decision

SUBMITTED TO: Police and Crime Commissioner for Norfolk

SUBJECT: Funding for Community Chaplaincy

SUMMARY:

Community Chaplaincy - Norfolk works alongside offenders, ex-offenders and their families, offering mentoring and holistic support within prison, through the prison gate and out in the community.

The work harnesses the extensive resources that are available within the community, most particularly volunteers who give their time to support those who are seeking to make a fresh start after leaving prison which will lead them to a lifestyle free of crime. The scheme will be open to offenders of any faith or of none.

When ex-offenders are supported towards change in their attitudes and behaviour this results in desistance. To enable desistence ex-offenders will be supported through this project with reintegration into community. As a member of Community Chaplaincy Association, desistance research will be completed in partnership with the University of Cambridge.

CCN offers a task orientated mentoring scheme which identifies attitudes and behaviours that previously led to criminality. Support is given to enable change to take place so that involvement in positive activities is undertaken rather than continuation of addictive and antisocial behaviours. These activities will involve regular meetings with mentors, identifying and encouraging personal interests of offenders and encouraging them towards education, training / employment. A holistic way of measuring outcomes has been developed, which will be recorded on a database and presented in progress reports.
A total of £20,100 will be provided over a two year period to deliver a Mentoring Service which contributes to a reduction in the number of Referred Offenders who breach or are recalled to custody, to contribute to a reduction in the frequency and seriousness of offending, to provide a role model for Referred Offenders and motivate them on the path to desistance while ensuring clients will be supported and encouraged to achieve and maintain their goals leading to a more fulfilling lifestyle within their communities.

To strengthen the governance for the commissioning of this grant award the OPCCN has applied standard grant terms and conditions. These include a systematic performance review process and annual review of the benefits of the grant.

The day to day management of the scheme will be undertaken by Susan Carne, who has overall responsibility for the Community Chaplaincy Team across Norfolk.

DETAIL OF THE SUBMISSION

1. OBJECTIVE:

1.1 To secure funding to establish a Community Chaplaincy programme across Norfolk whose sole aim is to work alongside prisoners, ex-prisoners and their families, offering mentoring and holistic support within prison, through the gates and out in the community.

2. BACKGROUND:

2.1 Community Chaplaincies are independent faith based voluntary organisations working with offenders who serve a prison sentence, offering support and opportunities needed to free themselves from crime and build a brighter future in the community.

2.2 The work harnesses the extensive resources that are available within the faith communities, most particularly volunteers who give their time to support those who are seeking to make a fresh start. The scheme helps to improve the quality of life in communities by:

- helping those who have been in prison to settle back into their local community
- reducing the negative impact of crime and reoffending
- reducing the number of people who become victims of crime

2.3 The main features of Community Chaplaincy Norfolk include:

- The scheme does not seek to duplicate other projects and initiatives but to complement existing provision working with a multi-disciplinary and multi-faith or none faith approach
- The Community Chaplaincy will engage with many people in our communities who are in deep trouble; affected, judged, depressed and anxious, affected by troubled family relationships, or suffering from drug misuse issues
- Linked to and working alongside Prison Chaplaincy, Prison Safer Custody, Prison Mental Health Teams, third and public sector organizations such as National Probations Service, Community Rehabilitation Companies and Police with the aim of partners managing offenders together
- A local response to local problems
- All offenders can potentially be included
- Best use is made of national governance arrangements
- Achieving long-term desistance from crime.

2.4 The evidence shows that a mentoring approach is a successful way of engaging vulnerable people and their families, the use of a Community Chaplaincy approach is essential to these relationships and further more connecting offenders back into their communities, whilst working closely in partnership with statutory and voluntary organizations to work to common outcomes.

2.5 Nationally, The Community Chaplaincy Association has demonstrated that after having engaged with their mentor, scheme clients report enhanced skills with respect to recognising risky situations, walking away from arguments, stressful situations or anti-social behaviour; improved family relationships, higher self-esteem and respect for others; and a number re-engage with their communities.
3. **AREAS FOR CONSIDERATION:**

3.1 To strengthen the governance for the commissioning of the Community Chaplaincy scheme, the OPCCN has applied standard grant terms and conditions. These include a systematic performance review process and annual review of the benefits of the grant.

3.2 The key outputs of the grant are as follows...

- Recruit minimum of 12 volunteer mentors per year - Faith/Non Faith – against all protected characteristics.
- Scheme will be open and cover the county of Norfolk
- Deliver training to mentors twice a year (minimum)
- Raise the profile of the scheme through marketing; this could include publication in prison and beyond.
- Quarterly reporting to OPCCN.
- Annual report to OPCCN.
- Recruit 30 beneficiaries over a two year period from HMP’s Norwich, Wayland and Peterborough, whose progress will be mapped and monitored via nationally recognised (CCA) Tool.
- All 30 clients to complete an initial assessment. Data to be held on locally devised spreadsheet which is measured by Community Chaplaincy Association (CCA) Tool.
- All clients to be introduced to their mentor, prior to discharge from prison and have an allocated mentor assigned to them, measured by CCA Tool.
- Client to be met at the gate on discharge, by their allocated mentor or CCN mentor, as measured by the CCA Tool.
- All future meetings to be scheduled on regular basis, as recorded by CCA Tool.
- Mentors to accompany clients to appointments to act as advocate where necessary all documented and recorded on CCA Tool.
- Build self-esteem, confidence and respect for self and others. Address aims and ambitions for the future, encourage motivation to change as documented and recorded on CCA Tool.
- Reduction in reoffending across all 30 clients, as measured by CCA Tool.
- All 30 clients to be offered volunteering work placements, with the aim of securing work experience opportunities, as measured by CCA Tool.
- All 30 clients to be afforded the opportunity to engage or enhance their educational attainment, as measured by the CCA Tool.
- In working in partnership, all 30 clients will be afforded the opportunity to upskill, as measured by CCA Tool.
- CCN to work with local employers/agencies to afford all 30 clients the opportunity to find suitable employment, as measured by CCA Tool.
- All 30 clients to be introduced to debt advice and money management organisations, with clients being in a position to manage their finances through planned budgeting, as measured by CCA Tool.
4. OTHER OPTIONS CONSIDERED:

4.1 Not funding the scheme – this option has been rejected due to the lack of provision within national contracts and the schemes ability to manage, change and resettle offenders back into their communities and prevent re-offending and victimisation in the future.

5. STRATEGIC AIDS/OBJECTIVE SUPPORTED:

5.1 Local Community Chaplaincy arrangements focus on cutting crime and reducing reoffending and victimisation.

6. FINANCIAL AND OTHER RESOURCE IMPLICATIONS:

6.1 A total of £20,100 will be provided over a two year period,
Received Match funding for project/service

SCHEDULE 2 – PROJECT DETAILS (DELIVERABLES/REPORTING)

Community Chaplaincy Norfolk (CCN)

a. Purpose/Key Deliverables

Community Chaplaincy - Norfolk works alongside offenders, ex-offenders and their families, offering mentoring and holistic support within prison, through the prison gate and out in the community.

The work harnesses the extensive resources that are available within the community, most particularly volunteers who give their time to support those who are seeking to make a fresh start after leaving prison which will lead them to a lifestyle free of crime. The scheme will be open to offenders of any faith or of none.

When ex-offenders are supported towards change in their attitudes and behaviour this results in desistance. To enable desistence ex-offenders will be supported through this project with reintegration into community. As a member of Community Chaplaincy Association, desistance research will be completed in partnership with the University of Cambridge.

CCN offers a task orientated mentoring scheme which identifies attitudes and behaviours that previously led to criminality. Support is given to enable change to take place so that involvement in positive activities is undertaken rather than continuation of addictive and antisocial behaviours. These activities will involve regular meetings with mentors, identifying and encouraging personal interests of offenders and encouraging them towards education, training / employment. A holistic way of measuring outcomes has been developed, which will be recorded on a database and presented in progress reports.

CCN hope to run regular peer groups for members to share experiences and develop good practice, although it must be noted the scheme at present is very much in its embryonic stage.

b) Outputs
