OFFICE OF THE POLICE & CRIME COMMISSIONER FOR NORFOLK

Author: Rob Roy

REASON FOR SUBMISSION: For Decision

SUBMITTED TO: Police and Crime Commissioner for Norfolk

SUBJECT: Commissioning of a Provider for the WONDER (Women of Norfolk Diversion, Engagement and Rehabilitation) project

SUMMARY:

WONDER is a 12 month project funded by the Ministry of Justice under its objective of establishing and evaluating Whole of System Approaches for the management of female offenders to reduce re-offending. The OPCCN has match funded the grant from the MoJ.

The objective of WONDER is to, where appropriate, divert female offenders and women at risk of offending away from the Criminal Justice System and into community based support which helps them access the right services to meet their needs, or where the women has pre-existing access to services, re-engagement with those services.

Julian Support will operate the WONDER scheme in partnership with workers provided by the Sue Lambert Trust and The Magdalene Group.

WONDER will receive women who have been detained in the Kings Lynn and Wymondham Police Investigations Centres. Using a triage system, qualifying women will receive a Conditional Caution before being discharged with a condition being that they engage with a WONDER Link Worker in the community. The Link Worker will then assess the women’s circumstances and needs before mentoring the women to engage, or re-engage, with relevant support services. All women who do not qualify to receive a Conditional Caution will be encouraged to voluntarily self-refer to the same scheme.

WONDER will be subject to an external evaluation, conducted by Crest Analytics. A total of £101,753 will be provided to Julian Support over a one year period to deliver WONDER.

DETAIL OF THE SUBMISSION

1. OBJECTIVE:

1.1 To approve a Provider to establish the Women Offenders of Norfolk Engagement, Engagement and Rehabilitation (WONDER) scheme.

2. BACKGROUND:

2.1 Following the 2007 publication of Baroness Corston’s report ‘A review of women with particular vulnerabilities in the Criminal Justice System’, recognition has grown that that the experience and treatment of women in the Criminal Justice System should better accommodate their particular gender specific circumstances. In light of this, in November 2015 the Ministry of Justice launched a competition for funds to develop whole system approaches for female offenders. The OPCCN submitted a bid, which successfully gained the largest award, of £86,852 in January 2016, a sum that was match funded by the OPCCN.

2.2 Over the last 12 months the WONDER project has been fully scoped and the scheme designed, with full liaison undertaken with Norfolk Constabulary, the Crown Prosecution Service, County and District Councils, The Norfolk & Suffolk Community Rehabilitation Company, National Probation Service and charitable service providers across Norfolk.

2.3 The WONDER scheme was put out to tender at the beginning of December 2016 and the chosen, preferred bid was that submitted by Julian Support in partnership with Sue Lambert Trust and The Magdalen Group.

2.4 The desired outcomes from the Scheme are, amongst women engaged on WONDER, reduced re-offending rates, homelessness and drug/alcohol dependency, improved mental health, more stable families and a reduced numbers of looked after children as a result of female imprisonment and reduced worklessness.

2.5 These outcomes will lead to reduced CJS costs, de-escalation of women’s engagement with the CJS and an increased use of Restorative Justice and Conditional Caution for offences that are currently charged.

2.6 Short-term benefits are expected to be:

- Increased partnership working, both statutory partners and with the third sector
- Increased information sharing
- More informed disposal decisions by Police
- Improved problem-solving approach to offender management
- Better Quality of service for women offenders
- Improved quality of life for Women and their children

2.7 Medium to longer term benefits are expected to be:

- Reduction in crime
- Fewer victims
- Reduction in re-offending rate
- Reduction in demand on the local CJS
- Savings to the public purse
3 AREAS FOR CONSIDERATION:

3.1 As scheme operator for WONDER, Julian Support is required to:
- Recruit a minimum of three Link Workers.
- Open the WONDER scheme to start receiving women by 27 February 2017.
- Operate the scheme until 28 February 2018.
- Receive women onto the scheme as per the process described in Appendix A of the grant agreement.
- Raise the profile of the WONDER through marketing; which could include leaflets, media appearances, published articles etc.
- Collect and record data to enable adequate reporting to meet the requirements of OPCCN and Crest Analytics (the external evaluator).
- Using this data the scheme will provide analytical reports of the following:
  - The number of women contacted within scheme service standard, the number of women contacted outside of that standard and an explanation for that number.
  - The number of women of both groups who fail to meet with the Wonder Co-Ordinator within the scheme standards.
  - The total number of women under management at the end of each month, broken down by weeks of engagement.
  - The number of women who disengage from the WONDER project each month
  - The number of women who complete their Personal Support Plans
  - The number of women who complete their Justice Outcome Stars
- Make monthly data reports to OPCCN
- Make quarterly operational reports to OPCCN.
- Make a scheme end report to OPCCN.

4 OTHER OPTIONS CONSIDERED:

4.1 Not funding the scheme – this option has been rejected due the MoJ’s funding of this scheme and the obligation so placed upon the OPCCN to put in place a whole of system scheme for female offenders.

5 STRATEGIC AIMS/OBJECTIVE SUPPORTED:

5.1 The delivery of the WONDER supports the Police and Crime Commissioners strategic aim of reducing offending and reoffending by women, by identifying underlying circumstances and needs and providing mentoring, support and facilitation for women to access the relevant range of services to meet their needs.

6 FINANCIAL AND OTHER RESOURCE IMPLICATIONS:

6.1 A total of £86,852 has been provided from the MoJ, matched by £86,852 from the OPCCN, over the life of the project, including the scoping out and scheme design and the one year period of WONDER.

7 OTHER IMPLICATIONS AND RISKS:

7.1 None arising from the report.

SCHEDULE 2 – PROJECT DETAILS (DELIVERABLES/REPORTING)

Julian Support (JS)

a) Purpose/Key Deliverables

The Women Offenders of Norfolk Diversion, Engagement and Rehabilitation, (WONDER), Project is a 12-month scheme jointly funded by the OPCCN and the Ministry of Justice. It has the objectives of providing a diversionary approach for qualifying female offenders, and women at risk of entering the Criminal Justice System (CJS).

Julian Support works with people with mental health difficulties, to help them lead an independent life of their choice, using its expertise and commitment to best practice to promote social inclusion.

Sue Lambert Trust, a subcontracting supplier to Julian Support for the purposes of WONDER, works with survivors of childhood sexual abuse, rape, sexual assault and domestic violence, offering support to help survivors come to terms with what has happened to them.

The Magdalen Group, a subcontracting supplier to Julian Support for the purposes of WONDER, works to improve the quality of individual women’s lives through prevention services and by providing support to women and young people who are affected by sexual exploitation and coercion.

The project will utilise a diversionary scheme whereby women given a Conditional Caution or other women who voluntarily self-refer to the scheme, are diverted out of custody and into a community based system. There, they would receive gender specific support and assessment of needs, and referral to dedicated services to meet those needs over a required timespan, throughout which each woman would be mentored and supported.

The service will involve women either detained at, or attending by appointment, the Police Investigation Centres (PICs) of Wymondham and Kings Lynn over the twelve month scheme period, and will include all female individuals with protected characteristics.

Women will be eligible to join the WONDER scheme if they are aged at least 18 years and live in the Local Authority areas of Norwich, Kings Lynn & West Norfolk, South Norfolk, Broadland and Breckland, or are of no fixed abode.

The aim is to divert a woman wherever possible, proportionate and justified from appearing at court and into a positive intervention via a formal criminal justice disposal aimed at preventing re-offending. The aim is also to divert those at risk of entering the CJS away from such involvement.

As defined in the bid specification document, it is expected that the scheme will work with around 45 women per month, or 540 over the one year period of the funded scheme.

b) Outputs

- Recruit a two Link Workers and a WONDER Co-ordinator.
- Open the WONDER scheme to start receiving women by 27 February 2017.
- Operate the scheme until 28 February 2018.
- Receive onto the scheme women, and manage their circumstances, within the terms of the WONDER scheme, as per the process detailed in Appendix A, below.

The Women Offenders in Norfolk Diversion, Engagement and Rehabilitation (WONDER)
Scheme

Detailed process

The Triage process is based in the Wymondham and Kings Lynn PICs and has two elements; a triage referral route and a voluntary referral route.

Triage referral process

1. A woman is identified in the PIC as being appropriate for and requiring triage at the point that she is being considered by the Custody Sergeant for charge or a conditional caution.

Criteria for inclusion

2. The criteria for inclusion the scheme she must:
   - Aged over 18
   - Admit the offence
   - Be willing to engage with the scheme
   - Give her consent to have her details passed to third parties
   - Not be on bail for any other offence – either police or court bail
   - Have a given residence within the Norwich City, Breckland, South Norfolk and King’s Lynn & West Norfolk District Council boundaries, or is of no fixed abode
   - Have committed an offence that satisfies the CPS requirements for OOCDs, and in particular a Conditional Caution.
   - Has not been subject to diversion to Julian Support by the CJL&D scheme, also operating in the PICs.

3. A woman is not eligible for the triage referral scheme if:
   - She is aged under 18
   - She does not admit the offence
   - She is on bail for another offence
   - The offence is not one for which the CPS would not authorise a conditional caution, for example murder, section 18 assault, arson with intent to endanger life etc.
   - The offence is suitable but rendered unsuitable by an aggravating circumstance – i.e. racial, homophobic element or domestic violence
   - She is being diverted to Julian Support by a CJL&D practitioner in the PIC

4. Excepting those aged under 18 and those who have received diversion under the CJL&D scheme, if a woman is not eligible for the scheme, including those who would be discharged as NFA, or declined the opportunity to participate in the scheme, she will be informed that she can voluntarily self-refer to the scheme. However, her case will still proceed as it would have done before, if necessary to the point that she is charged with her offence.

5. If a woman is eligible for the scheme, she is given a conditional caution with a condition being that she must engage with the WONDER scheme.

6. The woman is provided with information about the WONDER project and told that she will be contacted within 48 hours, at which time an appointment will be arranged for her to meet
with a WONDER Project Link Worker. The woman is given details of the purposes of that appointment and the need for her to attend it, which is condition of her caution.

7. A spreadsheet named WONDER.xls will be maintained on the Custody>Shared Documents>WONDER folder for recording the woman’s details for access by or communication to the relevant WONDER Project Link Worker according to the woman’s location of residence. This will include in all cases: Name, address, date of birth, contact telephone number, date of detention, offence or offences arrested for, PNC Reference Number and length of the conditional caution.

8. The WONDER Project Link Worker will each weekday access the spreadsheet remotely, by visiting or telephoning the PIC to obtain the details of any triaged women recorded by the Custody Staff in the previous 24 hours.

9. The numbers to use for telephone contact are: Wymondham PIC: 01953425699 extn 2424, and Kings Lynn PIC 01953425699 extn. 2464

10. The period after discharge will be used as follows:

11. Week one – the woman to be contacted by the WONDER Link Worker within 48 hours of discharge and an appointment time and venue agreed within the next seven days. Flexibility will be allowed to accommodate women who fail to make the first appointment for any reason.

12. Weeks two to four – the woman to attend any additional appointments to allow a Report of standard and agreed format to be completed by WONDER Project Link Worker, detailing any needs identified and options for addressing them in the form of a Personal Support Plan.

13. The WONDER Link Worker Report will form the basis of data reporting from the scheme for the purposes of management, monitoring and evaluation.

14. The disposal decision for women in the triage scheme will be made by the Evidential Review Officer (ERO), being at a rank of sergeant or above. If necessary, this will be a qualified detective if the investigation is domestic related, of a serious nature or with aggravating factors.

15. The decision will be based on the professional knowledge and experience of the ERO based on the ‘Justice test’ criteria detailed below, taking the views of the victim into account.

16. Once a police officer has identified the person responsible for any offending behaviour, the Justice Test states that the outcome should be:

17. A just and timely outcome which reflects the harm to the victim, the seriousness of the behaviour, the impact on the community, and deters future offending.

18. The disposal decision will be made by the ERO, in liaison with the Custody Officer Investigating the Case (OIC), and will be a formal CJ disposal utilising a Conditional Caution, established via liaison with the CPS for authority for a Conditional Caution where Diversion is appropriate and justifiable or a charge where it is not. The OIC shall prepare the required paperwork.

19. The ERO, or OIC after consultation with the ERO, will email the recommendation re conditional caution disposal, together with the conditions to be imposed (including timescale), to the Custody Sergeant in the relevant custody suite.

20. The Custody Sergeant will then action the case to conclusion.

21. The documentation required is specific to the scheme in agreement with our CPS partners and will consist of the Conditional Caution form (MG 14). No further documentation is required from the officer at this stage. Should the offender subsequently fail to comply with the conditions of the caution, a file request will be made to the OIC.
22. The process is completed when a woman has completed or disengaged from her support plan. To notify Norfolk Constabulary of this, the WONDER Project Link Worker will e-mail the secure OIC's e-mail address reporting the extent of the woman's compliance with the conditional caution within a maximum period of six months.

23. If a woman's adherence to her Personal Support Plan exceeds six months then the Link Worker shall maintain provision of engagement and support until such time that the woman's plan is completed.

24. If a woman does not complete her Personal Support Plan within the terms or timescale as set out in her conditional caution, and disengages from the WONDER Project Link Worker, then a report of this shall be made to Norfolk Constabulary for any further action by the Constabulary to be taken.

**Voluntary referral process.**

This is detailed below and will apply at four points in the custody office process:

- If a woman is given a Restorative disposal, a cannabis warning, an Adult Simple Caution or an Adult PND in the PIC then she will then be offered a voluntary self-referral to the WONDER Project.
- If a woman is subject to a virtual court or is kept in Police custody overnight to appear at court the following day then she will then be offered a voluntary self-referral to the WONDER Project.
- If a woman meets the criteria for the triage referral route but declines the opportunity to participate, she will be offered a voluntary self-referral to the WONDER Project.
- If a Woman is refused charge or released NFA, she will be offered a voluntary self-referral to the WONDER Project.

25. The voluntary referral process is as follows.

- The Woman is provided with promotional literature from the WONDER Project and asked by PIC Custody staff for her permission for Norfolk Constabulary to pass her details to the WONDER Project.
- If she refuses – that is the end of the process and her case is progressed as it normally would have.
- If the woman consents to a voluntary self-referral she is required to sign the appropriate consent form and her details recorded. The details provided will be: name, address and telephone number.
- A spreadsheet named WONDERNT.xls will be maintained on the Custody>Shared Documents>WONDER folder for recording the Name, address, Date of birth, phone number, date of detention, PNC Reference Number, whether discharged NFA or charged and, if charged, offence arrested for and court date.
- The WONDER Project Link Worker will each weekday access the spreadsheet remotely, visit or telephone the PIC to obtain the details of any triaged women recorded by the Custody Staff in the previous 24 hours and any appointments made.
- The numbers to use for telephone contact are: Wymondham PIC: 01953425699 extn 2424 and Kings Lynn PIC: 01953425699 extn 2464.

26. The Wonder Link Worker will then contact the voluntary referral women and an appointment time and venue agreed or confirmed. For that appointment to be attended, allowing some flexibility to chase up if the woman fails to make the first appointment for any reason.
27. The Wonder Link Worker will meet with the woman for up to three times to allow a report to be completed by WONDER Project Link Worker, detailing any needs identified and options for addressing them.

28. For self-referred women the Link Worker will conduct a service exit review whenever possible.
